Convention News

Everybody say "PAIMA"

Thank you to each and every member that helped us celebrate 30 years of PAIMA by attending our 30th Annual Convention.

It was a short drive for some of our members, but a long journey for many others that traveled 2-3 days in order to attend.

We had 99 attendees representing 74 companies from 37 different countries around the world!

The PAIMA office is so grateful for all of the positive feedback we received from the members and we are looking forward to seeing everyone at our 31st Annual Convention in San Diego, California!

We are busy creating a 2014 Convention Photo Gallery and promise to have PAIMA Convention photos available on our website by Friday, October 17th!
You can also check our Facebook and Twitter pages @PAIMA_Movers for photos we posted during the convention!
