

PAIMA Stars

31st Annual Convention

October 2015 - San Diego

RECORD BREAKING STAR ATTENDANCE

All of our PAIMA Members are STARS in their own way. We recognized STAR Attendees, TONNAGE Stars, STAR Recruiters, STAR Sponsors and every Member received a STAR Trophy with their name (pictured above) as they walked down the red carpet at our PAIMA Dinner and Dancing with the Stars. Thank you to each and every member that attended our 31st Annual Convention.

This year, we had 116 attendees representing 82 companies from 40 different countries around the world!

Thank you to all the attendees that shared their positive feedback and comments about the new Scavenger Hunt activity this year - we should definitely do that again soon; it brought out the competitive spirit in everyone! We are looking forward to seeing everyone at our 32nd Annual Convention in New Orleans, Louisiana!

2015 PAIMA ECOLOGY AWARD

Teamwork International Moving
Brazil

Teamwork International Moving was presented with the
2015 PAIMA Ecology Award for their
Outstanding Achievements and Contributions in
Sustaining and Protecting the Environment.

Lars Lemche accepted the award, gave a speech about the innovative way he
is repurposing materials for use in his company. Lars and his daughter
Nathalie Lemche brought samples of the materials to show everyone. We are
looking forward to the article with his interview in the next PAIMA Report.

UPDATE TO BY-LAWS

The following proposal was presented during the 2015 General Assembly
and passed with a majority vote:

*Amendment to PAIMA By-Laws -
Article III, Rights and Obligations of the Members.
Section 3.2, Responsibilities and Obligations of Active and Associate Members.*

***Members must notify the PAIMA office within 30 days of any changes in
ownership or management.***

The PAIMA By-Laws will be amended to reflect this change and posted on the
website.
