Board of Directors in Fort Lauderdale

The Board of Directors held their Annual Spring Meeting at the PAIMA office in Fort Lauderdale. Following a very successful conference in San Diego, they were excited to review our progress in the past year and discuss ways to continue our forward momentum. Some of the exciting items discussed were plans to develop a new website with more Member interaction and starting a monthly webinar for Tonnage Reporting.

Convention Attendance

This year, we will begin enforcing the Members' obligation to register to attend at least one convention every other year. If you did not attend our San Diego convention, we will be contacting you to make sure you are registered to attend the conference in New Orleans. Members that consistently attend our conventions agree that it is the most valuable asset of their Membership.

New Member Drive

We are concentrating our efforts in finding new PAIMA Members in countries that we do not yet have representation. If you are working with agents in a country with no PAIMA Members, please send their information to the PAIMA office or send an introduction e-mail letting us know you are willing to Sponsor their application.

The Board is looking forward to seeing everyone in New Orleans this October for another record-breaking attendance.

Matthias Tischer, George Naumann, Lars Lemche and Juan Carlos Ortiz enjoyed a round of Golf the day after the Board meeting. Lars says that they will all be playing in our Tournament this year.
