MANDATORY ATTENDANCE:

PAIMA has a new rule that it is mandatory for all members to attend at least one in two conferences. So, if nobody from your company went to San Diego, you must send someone to New Orleans!

All members want to see you there and to learn how they can work with you as a valuable part of the PAIMA network. If you don't attend, other PAIMA members don't get to benefit from your wisdom and establish the trust needed as a business partner.

2016 General Election:

All Active and Associate Members enjoy the right to participate and vote in the Annual Meeting of the General Assembly. This year, Members will participate in the election and appointment of the President, Vice President and five (5) Directors which includes the past President. After the election, the President will appoint the Secretary and Treasurer from the elected Directors. The Board of Directors elected in October 2016 will serve from October 2016 - October 2018.
